

Equipping women to know God and make Him known

The heart of Fellowship Women is that you would be distinctively feminine and embrace biblical womanhood, doctrinally faithful to the Truth found in God's Word, and devotedly fearless to share that truth and run on mission. Simply put: to know God and make Him known.

We accomplish the task of knowing God and making Him known through text-driven Bible study, gathering for gospel-centered accountability, fellowship, and encouragement. We actively make Him known by running on mission through partnering in seasonal outreach and church-wide ministry events and projects.

Alongside the pastoral leadership of Fellowship Church, Fellowship Women will be encouraged to be women of the Word, gathering throughout the week in each other's homes for Titus 2 woman-to-woman discipleship, seasonal gatherings, and actively taking part in the work of ministry in 2024 through church-wide conferences, seminars, and outreach events.

This Spring, Fellowship Women will dive into Revelation 1-3 and the letters to the seven churches in Revelation. In the Fall, we will be walking through the specific characteristics of a text-driven woman from the Old and New Testaments. These text-driven Bible studies will be available in person (Pigg Home) and online via the Fellowship Women Facebook Group and textdriven.org.

Finally, it is our prayer that Fellowship Women have this proclamation on their hearts: "I have asked one thing from the Lord; it is what I desire: to dwell in the house of the Lord all the days of my life, gazing on the beauty of the Lord and seeking Him in His temple."
